“Is not God in the heights of heaven? And see how lofty are the highest stars!” (Job 22:12)

Please forward this to all your friends in Kendall Presbytery.

Spotlight on: The Hilda Thompson Trust

The Hilda Thompson Trust provides financial support to five entities including Kendall Presbytery. The proceeds from ranch operations and investment portfolio are important for our mission.

A Board of Managers oversees and directs ranch operations and financial investments on behalf of the Presbytery.

Pictured above (standing in back row, left to right) are the members of the Board of Managers: Neil Cross, Bob Kukachka, Rev. Dennis Falasco, Delbert Winterfeld, Edith Stanger.

After many years of devoted service to the Presbytery as a member and as chair of the Board of Managers, Neil Cross retired from service to the Board at the Presbytery meeting held June 1, 2013 in Twin Falls.

At its recent meeting in Twin Falls on June 1, 2013, the Presbytery elected Elder John Lanting of the Hollister Community Presbyterian Church for membership on the Board for a five year term.

We thank John for his willingness to serve on the Board of Managers and we are grateful to have a person of his qualifications in Presbytery service. John is a doctor of veterinary medicine.

The Presbytery elected Elder Bob Kukachka to serve as Board chair for a term of one year, replacing Neil Cross whose term of service is completed upon election of his replacement.

The Soda Springs congregation has a distinguished record of service to the Presbytery, especially in regard to the Hilda Thompson Trust.

We thank God for the generosity and foresight of Hilda Thompson, whose legacy continues in the form of mission and ministry in Kendall Presbytery.
